Downtown Businesses as Vendors:

A main goal of the downtown Elgin Farmers Market is to create a weekly attraction in downtown Elgin where customers also have opportunities to build relationships with and patronize our brick-and-mortar businesses. For this reason, downtown Elgin businesses interested in vending at the Market are invited to participate within the following guidelines.

- Follow all Market guidelines for food or product production and sales required by local and county health departments, including obtaining any required permits.
- Service-based businesses will be directed to utilize their free promotional date or consider participating in the Market as a sponsor.
- Ability to maintain hours of operation during the Market at their brick-and-mortar location in addition to vending at the market.
- Ability to feature products at the market in a way that is not identical to their brick-and-mortar business model. Examples: The Market may be used to showcase new or special product lines, a place demo products for customers, roll out new programs or services, to offer sales or specials on particular products.

Community Partners

The **Downtown Elgin Market** offers booth spaces to non-profit, community, or school organization, that wishes to promote their organization upon approval of the Market Leadership.

Community Partners will be stationed near each entryway. Responsibilities that accompany this opportunity include welcoming and monitoring guests, offering hand sanitizer, tracking attendance with counters, and tear-down of their booth at the conclusion of the event. Promotion of the Community Partner's organization will be allowed at their booth throughout the event. Community Partners are required to follow all rules and regulations of the event.

Community partners will be selected to participate as space and available supplies allow, prioritizing locally based organizations and initiatives that serve the Elgin community. Topics promoted or discussed by Community Partners during the Market must be respectful to a general audience of all ages and backgrounds.

Inspections and Additions

Should questions arise concerning a producer's items, Market Leadership reserves the right to request additional verification that products follow market guidelines, up to and including making a farm visit.

Any vendor looking to bring additional items to sell during the Market Season that were not previously listed within their initial application must obtain approval from Market Leadership before expanding their vending offerings – as to avoid excessive duplicate products.

Food Permits

All vendors selling food products must submit all applicable permits and licenses required by the health department, city, and state for the legal sale of goods offered by the vendor at the market. Any other necessary food permits may be obtained by contacting the City of Elgin Health Division.

Weather policy:

The Market operates in all weather conditions. Refunds will not be given to full-season vendors for dates canceled due to weather/threat precautions. Vendors will be notified of cancellations via email and electronic text alerts no later than 11:00 AM on the day of the Market. Early closures will be advised to vendors if needed.

Notification of Absence:

It is the DNA's goal to have a consistent Market where vendor attendance can be communicated to the public in advance through our marketing efforts. Vendors should plan to be present for all dates they have committed to.

If an absence is required, the notification must be sent to the Market Manager via email (market@downtownelgin.com) by 3:00 PM the day before the market (24 hours prior).

Full-season vendors will not be issued a refund if a date is missed due to their discounted rate. Select-date Vendors will be allowed to reschedule and will only be issued a refund if rescheduling is not an option. Vendors who are "no call, no show" for any market date, will forfeit their right to a refund. Vendors who are absent three (3) times during the season may result in forfeiture of participation.

Late Arrival

Due to public safety requirements of our road closure permit, any vendor arriving late to the Market will not be allowed to enter the Market zone with their vehicle. If a late arrival occurs,

vendors will be directed to park outside the market zone and move their product into the market zone by hand or cart if one is available. Vendors arriving after 3:30 PM will also not be allowed to set up unless you have spoken with the Manager previously.

The **Downtown Elgin Market** does not offer or guarantee any exclusivity to any vendor, for any product, at any time.

- 3) A vendor has an outstanding balance owed to the Downtown Neighborhood Association of Elgin
- 4) Vendor’s product offering is in direct competition with a nearby brick-and-mortar business.

Marketing

The **Downtown Elgin Market** utilizes social media to advertise market vendors that will be attending the market and their products. It is the responsibility of each vendor to provide the **Market Manager** with any specials, notices, etc. they wish to promote. We encourage all vendors that have a business Facebook page to follow and “like” the **Downtown Elgin Market** Facebook page to help increase traffic to the Market and promote your business. Courtesy and Conduct

Vendors and their staff are expected to conduct themselves respectfully and courteously with patrons, market staff, and other vendors.

If an issue should arise between vendors, they should contact the **Market Manager** with any concerns.

In the interest of fair trade, producers disparaging other vendors’ goods or the **Downtown Elgin Market**, risk disciplinary actions, at the discretion of the Market Leadership. This could include temporary suspension or up to the removal of the market according to severity. Concerns about other producers’ products should be kept confidential and directed to the **Market Manager**.
